LETTER

BOX PCT, Attn: RO/US
ASSISTANT COMMISSIONER FOR PATENTS
Washington, DC 20231

On 29 January 2001, we submitted the above-
referenced U.S. national phase patent application to the U.S.
Receiving Office. The transmittal letter, however, contains
several inadvertent errors, as the corresponding international
application, PCT/FI00/01036, has not yet entered Phase II.
Therefore, please change the following items:

1. Item No. 4 should not have been checked as no
Demand has been filed;
2. Item No. 5, box "a" should have been checked
(not box "b") as no copy of the international
application has been transmitted yet by the
International Bureau, and we enclose a copy of
the international application; and

RF:sj 3/9/01 290.745USN

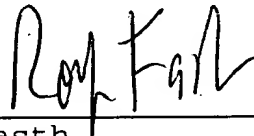

PATENT

3. Item No. 7, box "c" should have been checked
(not box "d") as the time limit for amendments
under PCT Article 19 has not yet expired.

Please correct these mistakes on the transmittal letter as
they were unintentional.

Respectfully submitted,
